President's Report

This is my final year as President and to all our members, players and sponsors, I would like to thank you all for your good sportsmanship and your continual support throughout the year and past 4 years.

- A big congratulations to the women's Prov 2 girls and coach Matt Mercer on making the Grand Final this year. Well done girls.
- Also congratulations to the women's Premier 2's along with Prov 3 men and Prov 3 & Prov 4 women on making the semi finals
- Huge Thanks to Our Vets and life members who are such an important part of our club. They continue to support us as they have for decades which has ensured this club has survived.

To my Committee - Thank you to my Vice President Tom Reid, Secretary Lorraine Brown, Treasurer Shannon Koch, Events Co-ordinator Director Kate Denning, CU Liaison Officer & CU Recruitment Officer Katie Flanagan, Women's Co-ordinator Matt Mercer, Men's Co-ordinator Tom Forrest and Junior Co-ordinator's Amy Woodfield and Louise Swain.

You have all been a wonderful support to me as President. Again, without you all, this club would not function. Thank you so much.

- **Treasurer:** Shannon is standing down and I would like to thank her for the past 2 years of taking on such a big job.
- **Team Liason:** Julie Branley: for her continuous work stepping in as team liason helping myself and Matt & Tom F.
- **Fundraising:** Thank you to Jackie Stacey again for running the raffle and what a great job she has done along with the entertainment books, wine orders and sausage sizzles. She has again done an amazing job.
- **Website:** Damon Pollard and Adam Piggott for their ongoing work and quick updates when needed.
- **Data Base:** Owen Clark for his assistance throughout the season with our database and registrations.
- **Umpiring:** Ian Pestana & Lorraine Brown and all the team managers who assisted them.
- **Coaches & Managers** – thank you for your time, effort and dedication
- **Social committee:** Thank you to all that helped throughout the year.
- Amy Woodfield for managing our **social media** channels and organising all our 2018 junior clinics, which have been a great success.

To our sponsors a big thank you to you all, for continually helping our club.

- **Major Sponsors**
- New Town Toyota - Tahnee Piman

- Denning and Associates - Grant & Elspeth Denning
- **Significant sponsors**
- Cambridge Peridontics - Darryl Andrews
- Hockey International - Jinder
- Thermal Air conditioning - Ian Keeley
- Hoopla Espresso
- **Sponsor income based on our spend**
- Balmoral hotel - Andrew Donovan
- **Bsc Podiatry** - Robert Haagman
- **Sponsors for Tax purposes (\$1000)**
- VCA Australia Pty Ltd - Vince Cinanni

Thanks to Kestin & Denis Otway from Desam Fashion who have done a wonderful job with any uniform requirements and donating the 1's & 2s training singlets.

The Eastman Lounge remained our clubroom and we are in talks with CU and HWA to secure something more permanent. Grass fields were secured at Edinburah South Oval and next year we look forward to the fields being a better playing surface.

Our short and long terms opportunities are still the same:

***to rebuild & to recruit:**

- We employed a Junior Development Officer Aleisha Power who's entire job was to rebuild our juniors. She did a marvellous job and along with Amy Woodfield who organised the clinics, we thank them both.

As we said last season, to those who have now had kids, bring them back to Pirates to play for our minkey and junior sides and lets restart the clock on a huge program to rebuild.

We would like to encourage all members to actively engage in seeking old and new players to come and join us. We need to encourage members to continue on, instead of disappearing as we have kids or as our careers intensify.

It is up to us **all** to help to try to get **new players** to our club each season.

We will hopefully see you all back for season 2019.

Financial Report

Please see below notes regarding current financial standing as at 31/10/2018.

Income 2018

- Fees Income – an increase on 2017 due to the addition of 2 new teams however a bit lower than budgeted as two teams struggled to regularly field players.
- Sponsorship – approximately the same as budgeted. A decrease on the previous year due to major sponsor paying a 3-year contract in the first year.
- Fundraising – a small decrease in the previous year, this was due to the lateness of the raffle. Whilst it was still one of our major fundraisers we had a lot of books go unsold and therefore not a higher income associated. Income is still expected from this year's entertainment books and wine fundraiser.
- Grants – money expected late 2018 for a grant for incurred coaching expenses to the value of \$3000

Expenses 2018

- Affiliation fees up due to the addition of 2 new teams – increase as expected.
- Hockey Australia Levy – caused a large change in expenses from previous year.
- Coaching as budgeted, no large increase on previous year.
- Player imports – similar to budgeted figure, slight decrease from previous year.
- Game Hire – as expected, slight increases across all turfs meant slightly higher than previous year. This also increased due to the addition of a new men's and a new women's team.
- Training Expenses – much greater than anticipated due to the increased amount of lower grade trainings. Need to review with Hockey WA as some funds expected back.

Balance Sheet 2018

- Cash Balance at bank has decreased on previous year
- Uniform Inventory increased in anticipation for next year.
- A large amount of fees still owing to the club.
- No new major assets
- Total equity has decreased

Our affiliation with Mercedes College teams in the junior ranks is on a user pays basis and the College reimburses CUHC for all costs associated – these are equalised throughout the year.

As we can see, the profit and loss and balance sheet currently appear not to our favour. We are expecting some funds in the way of grants and further fundraising still into the account, which should hopefully work to decrease this deficit. The committee has already started discussing next years budget and how we can work to improve this for next year. One key need to keep player fees down is an increase in sponsorship, an aspect where all members can assist in sourcing. The second is a shared responsibility of fundraising across all teams.

Curtin Liaison Report

The 2018 season has seen some major changes and new developments as we become embedded in the Curtin University community.

This year we made another move to a more permanent home on Edinburgh South Oval. With the conditions on South Oval not well suited for hockey and limited to one field, through discussions with Curtin University in late 2017 we secured the University's commitment to convert the then unused Edinburgh South to the home of Curtin hockey. Throughout the 2017/18 summer we worked with Curtin Stadium and the Curtin properties team to convert the space into two new hockey fields for the 2018 season. With a ground surface more suitable to hockey but having not been used as a sporting ground for many years the properties team worked over many weeks to fill in potholes and upgrade the grass quality.

Edinburgh South was, many years ago, a traditional hockey base, and we were excited to return to a more central location, surrounded by Curtin's age old pine trees on the heart of campus. The move didn't come without a number of hiccoughs, and we are very grateful to all our members for their patience as we worked through those with Curtin Stadium. I am pleased to confirm that in 2019 Edinburgh South will not be used for multiple sports, allowing for better playing quality throughout the season.

The move to Edinburgh South also allowed us to trial the use of shared clubrooms on the main Edinburgh Oval. The clubrooms are also the home of Curtin's Football (soccer), Rugby and Ultimate Frisbee teams, and have enabled us to forge new relationships with the broader Curtin sporting community. As we move towards the 2019 season Curtin University has committed to strengthening our access to the clubrooms, and the club will endeavour to make this a more permanent home for our memorabilia, club activities and social gatherings on game days.

Our integration with Curtin sports has gained further momentum in 2018, with a CUHC presence at all open days and club days throughout the year. We have further engaged in the development of key partnerships with Curtin feeder schools, including Penrhos and Como, and have participated in the Carnaby Kids programs throughout the year. These partnerships have allowed us to engage hundreds of primary and school aged children in Curtin hockey. Additionally Curtin have supported the growth of our club in securing access for field and facility access at PHS through current negotiations around Hockey WA's arrangements with the University. Negotiations are ongoing and we look forward to providing positive updates to the club in 2019.

I sincerely thank Curtin University for their ongoing support of CUHC, their commitment to establishing hockey as a key sport amongst the University community and their assistance throughout the year with fields, facilities, development activities and promotion of CUHC

activities. We look forward to continuing our journey as the Curtin University Hockey Club in 2019.

Membership and Recruitment Director's Report

2018 has been another successful year of growth for CUHC. With numbers increasing across both our junior and senior grades, including a large increase in our junior teams and an increase in our Curtin student numbers, our members and volunteers have done a fantastic job in bringing new members of all ages to our club.

This year the club continued our strong engagement with our regional hockey centres, participating in the Bunbury Super 9s and leading a CUHC tour to Narrogin which included a friendly match and junior clinic. We continue to strengthen our role as a home away from home for members from regional areas and we look forward to welcoming more friends from our regional areas in 2019.

This year the club also welcomed another two international players from the UK who competed strongly in our men's 1s, and we are in discussion with Curtin University to develop potential international partnerships with the University's strategic international partners.

Our ongoing integration with the University has seen strong numbers of Curtin students join and return to CUHC, with the club holding stalls at all orientation, club and student guild days. The club was one of the only sporting clubs to have representation at all these open days, which has further strengthened our links to the Curtin student and sporting community.

One of the biggest success stories for 2018 has been the development and implementation of our revitalised Hookin2Hockey program. Led by Amy Woodfield, with Aliesha Power coming on board as our Junior Development Officer, this program saw over 1,000 primary and high school aged students participate in CUHC led hockey activities throughout the year. The club ran new Hookin2Hockey programs at: Aubin Grove Primary School, Manning Primary School, Ursula Frayne Primary School, and St Columba's Primary School. These programs involved over 600 students throughout 2018.

An additional program was also run in partnership with Penrhos college, including provision of coaches to their 5/6 development group and a hockey have a go day involving over 500 Penrhos students. A home based Hookin2Hockey program at Curtin University has also enrolled 47 children to date, held at Edinburgh South Oval on campus.

Looking forward to 2019 the club is in a strong recruitment position to continue to build. I thank all members and helpers who have assisted the club across all these activities this year, you have done a fabulous job!

(Curtin Liaison)

Teams Director's Report

Women's Coordinator's Review

This season saw the introduction of a sixth lower grade women's team into the competition, bringing the total number of women's teams across all senior grades to eight teams. The introduction of the new Provisional 4's team was successful, with the team placing third in their first season.

Notably, half of the CUHC women's teams made it into finals in the 2018 season, with the Provisional 2 Women attending the Grand Final, unfortunately missing out in a narrow 2-1 loss against John XXIII.

I acknowledge the efforts of our coaching team particularly Blair Patten, Tom Beard, Owen Clark and Matt Swann. Without dedicated coaches these teams would not run as well as they currently do.

To the managers for each of the Women's team, Elspeth Denning, Tricia Hawgood, Mikayla Congram, Christelle Smith, Tam Watts, Michelle Theobald, Lorraine Brown and Mary Bell I wish to pass on my appreciation to you all for volunteering your time during the 2018 season.

Men's Coordinator's Review

I would like to congratulate all CUHC Men's players for their commitment and endeavour throughout season 2018. Despite not getting the results we wanted, we can take solace in the fact that through sheer will and determination, our Premier League men were victorious in the Promotion/Relegation Playoffs, meaning we maintain our position in the Premier League. Kate Starre should be proud of her efforts after taking on a group of young and very inexperienced players, and showing continual improvement throughout the year.

I would personally like to thank all coaches and managers for the 2018 season. The efforts of these selfless people are vital for the smooth operation of the club. Clubs and teams would not exist without volunteers and the people mentioned below have made the coordinator's job much more manageable.

I would like to make special mention of Ian Pestana and the players in our newest team, Provisional 4 (Sand). Often short of numbers, many of the clubs more experienced members (including a goalkeeper in his 70s) were called upon to help out. In true Pirate spirit, the 5s had a fantastic season and unfortunately just missed out on finals after a very positive first half of the year.

I would also like to acknowledge and commiserate our only finals bound Men's team, Provisional 3 (Gold). After a fast start, they finished the season in third position and unfortunately lost the semi-final 5-6 in a high scoring affair against Lions. The boys should be proud of their efforts and hopefully go all the way next season! Congratulations go to Lewis Cann (Coach, Manager and Captain) for his enormous efforts throughout the year.

Finally, I would like to mention the efforts of Julie Branley, Elspeth Denning, and Adam Piggott, for making my first year as Men's Coordinator not a complete disaster. Looking forward to where we can take the club in season 2019 and beyond!

Master's Coordinator's Review

The men fielded two teams in the 2018 season. O/40 div 2 team was promoted this year and had a group of experienced past players who played and were very competitive. They were very unlucky not to make the four and hopefully they will make the finals with a few more new players.

O/50 Div 2 played against much younger opposition players but when there was a full squad won against two of the teams that were in the top four and were competitive against a lot of the other sides. Next year we hope to go to O/60 Div 1 and should do very well.

We are hoping to put another men's masters side in and that should make it three grass teams in total, but we need the fields to be in a lot better condition than this year. Overall the teams are very happy playing and supporting the other sides that played at Curtin grass each weekend.

Women's masters O/35 Div 3, playing midweek on turf, had what would usually be considered a successful season, losing only 4 games for the year, however the new club record of 11 draws saw only a 6th place finish...must be close to a HWA record too....but it made for great banter from the opposition teams each week resulting in a very enjoyable season once again. Definitely aiming to change a few draws into wins next year.

Junior Coordinator's Review

We have made great progress in promoting and rebuilding the junior side of the club this year. We commenced in Term 1 of the school year with a couple of 8 week beginner Hook in2 Hockey programs at local primary schools and followed up with similar sessions at Edinburgh South Oval. These primary school sessions have continued throughout each school term and we thank Aleisha Power and her band of assistants for their dedication to our little CUHC athletes. The Term 4 sessions are currently in full swing, with the next step being 'have a go' sessions to be held pre-season in readiness for hopefully converting these young players starting out in hockey into full time team members for the 2019 season. Four teams were fielded in the older junior girls grades with a mix of CUHC based teams and teams fielded in affiliation with Mercedes College, where CUHC provide coaches, a model that has the possibility of being developed further with other high school based teams that are not already club based.

Hopefully in 2019 we will see the re-emergence of junior boys around the club, so support and work during the pre-season is vital. We always need more volunteers to assist the running of the junior teams within the club, a fun and rewarding way to give back to our club.

Functions and Events

Thanks to all members who attended and got involved in this year's social events. These are a really important part of establishing off field culture and an area we hope to build upon next year.

2018 marks 20 years since Pirates Womens Hockey Club and Trinity Tigers Hockey Club amalgamated to form Curtin Trinity Pirates. 1998 was a special year for our club with Pirates going on to take out both the men's and women's Premier 1 premierships. To celebrate we held a reunion event at Balmoral Hotel. Was great to see past and present members share memories and reminisce over old school memorabilia. We plan to continue this tradition going forward in an effort to keep past members involved in our club.

This year saw the return of our annual quiz night. With approximately 80 people in attendance, the quiz night showed pirates aren't just competitive on the field. PHS Eastman Room was a great location. Thanks to Mandy Symons for MCing, Lorraine Brown and Elspeth Denning for setting up and special mention to Hannah Cinnani's table who took out first prize.

We also had good turn out to Opening Round Day to support our Premier League teams at the start of the season as well as our Premier League Men during their relegation series. Our end of year pub night at Balmoral was a great way to celebrate the end of the regular season and congratulate those that were preparing for finals.

Special thanks to Mikayla Congram and Alison Douglas for organising our country themed "Night in Nashville" party where an array of interesting costumes were on display!

Our final event, the end of year wind up, celebrates another successful year at Curtin University Hockey Club.
